

Hi Neighbor!

This is a note from your neighbor(s):

My(our) phone number is:

With the Covid-19/Coronavirus dominating the news and changing so many parts of our lives, we wanted to let you know that we care about you!

We just paused to pray for you for a few moments. We are asking God to bring you health, supplies, and peace during these tough times, for “love is from God,” (1 John 4:7).

If you would like to talk more or want to share specific prayer requests, you can call me(us) at the number above. We have great hope in our faith, and if you want to talk about that, we would be honored as well.

Our church has been one point of hope in our lives during these discouraging times. You can find out more at www.fbcsantafe.com. Our worship service broadcast times are there, and under “How do I get to know God,” a summary of the Bible’s hope in Jesus Christ.

We want you to know that we love and care about you. You are welcome to call and just talk or share prayer needs. May God bless you richly in these very difficult times.

*Do not let your heart be troubled; believe in God, believe also in Me.
In My Father’s house are many dwelling places; if it were not so, I would have told you; for I go to prepare a place for you, John 14:1-2.*

With best wishes, your neighbors,
